

FOOD SAFETY TRAINING

New Mexico Environment Department

Training management and staff on a continual basis is essential to the success of your business.

Management and staff must have the proper knowledge to fulfill their duty to serve safe food and maintain a

sanitary facility. To help you accomplish this we are offering two

comprehensive training courses. Topics of the training courses include microbiology of food,

foodborne illness factors, temperature control, personal hygiene, sanitation

and cross contamination.

Two classes will be held prior to the start of the 2004 NM State Fair.

August 19th-African American Pavilion 6-8pm

August 31st-Tingley Coliseum Lobby 6-8pm

Classes will last approximately 2 hours.
